

FIRST GRADE KITTY CAT CLUB
THE LAST WEEK!
MEMORIAL DAY - JUNE 3rd

Dear parents, I hope those of you who came to our “Lamb Chapel” were blessed. My Uncle came. He became a believer in Christian School education through it. For years I was told “Why don’t you get a real job?” -as if teaching in public school would be a step up. Sure, financially, it would have been easier.

PARENTS, with all my heart I tell you that your choice to enroll your child in R.H.C.S. is a choice to teach Bible centered Christian world view. I believe it is well worth the sacrifices we make. I know some of you have sacrificed a lot to keep your child here. I’ve taught 7 years in California at a Christian school and 23 years at R.H.C.S. and subbed in public schools. Your child is daily covered in prayer here by Moms In Touch, the staff, and is in a spiritually safe environment .

I pray that if God wants your child to return next year, He will make a way.

THANK YOU FOR ENTRUSTING YOUR PRECIOUS CHILD TO US THIS YEAR!
