

The Scholars

5/27/11

Class Notes

Next week the students will spend time reviewing throughout the subjects. Congratulations to Adeline who read the most books (**82**) for Accelerated Reader this year! Well done, Addy!

Today I have sent home a green folder which includes a letter about summer learning along with front and back-sided worksheets as a resource. The worksheets are intended to help your child get started on reaching the reading and math skills goals outlined in the letter.

As this is our last newsletter, it's an appropriate time to thank you for allowing me to educate your children. This has truly been a pleasant class to teach. I have seen academic, spiritual, social, and personal growth in *every* child throughout the year and I'm very pleased with each student. I pray that this summer your family will love Jesus and each other more.

Next week's tentative schedule is on the back of the newsletter.

This Week We...

- Continued to work on multiplying with regrouping.
- Enjoyed seeing a live barred owl on Wednesday. Did you know that owl feathers literally make no sound while in flight? The students were able to touch the foot of a great horned owl!

Important Dates

- 5/30 Memorial Day-no school
- 6/02 Clean desks/room-no bags needed
- 6/03 Last day picnic

**Test/Quizzes are subject to change and may be unannounced.*

Next Week's Bible Verse

No verse

Coming Soon

Picnic Day!

Don't forget to apply sunscreen and send a water bottle!
